

Announcing the

“No Child Left Inside”

Get Kids Outside Pledge Drive

Grand Prize for most pledges gathered is a **New Kayak!**

Clean Up the River Environment 117 S. 1st Street Montevideo, MN 56265 1-877-269-2873 www.cureriver.org

CURE still needs to raise \$10,000 to make our budget for our **No Child Left Inside, Get Kids Outside Campaign** for 2010

You can help us in one of three ways:

1. Make a pledge to support our Campaign by making an on-line donation to our GiveMN.org secure web site with a credit card (you can designate your pledge to your favorite pledge drive contestant) **or**
2. Use the enclosed envelope to return your check with a pledge **or**
3. Pass the information on to a person you know **who really wants a Kayak** and who would be willing to beat the streets and ask relatives and friends via e-mail to make a pledge. We've never done this before, but we are guessing that someone who raises around \$300 would have a good chance of being the top pledge drive contestant. You can do this — **Go for it!**

Instructions for Pledge Drive Contestants:

Use the form on the back to collect pledges. Send in the pledges and money you have collected by May 14, 2010 or bring to the CURE Office 117 S. 1st Street, Montevideo, MN 56265.

If the donors you approach would rather give via credit card on-line, they can do so by visiting the CURE web site and clicking on our “No Child Left Inside Campaign” From there, they can designate their pledge to your tally of pledges.

Plan on attending the CURE River and History Weekend Celebration at the Lac qui Parle County Park on May 15 to meet with other paddlers who are rising to the challenge!

May the most passionate pledge getter win!

Whether you Paddle or Not,
Any size pledge amount will help CURE

Get Kids Outside!

Thank you for your support of our youth programming
