## Celebrating 22 Years of Environmental Stewardship

There is nothing better than gathering together to bring in the new season and celebrate one more year of working for cleaner water, developing a clean energy economy and creating a greater understanding about the impact of climate.

### River History Weekend 2014

This year CURE is offering many opportunities to engage with the landscape over a four day period. There will be Action, Adventure, Paddling, Art & Culture that will provide a little something for everyone. Visit [www.cureriver.org](http://www.cureriver.org) or [Facebook.com/CURERiver](https://www.facebook.com/CURERiver) to receive updates.

### CURE Annual Meeting 2014

This year, the Annual Meeting will be at Bootlegger's Supper Club in Granite Falls and will limit us to 225 seats. Please register early to reserve your seats today. This year will feature a brief Business Meeting, Election of Board Directors, a great meal prepared with Local Foods, Presentation from Wild River Academy about their Paddle Forward Adventure and a performance by Minnesota based singer/songwriter James Hersch.

### Nominations Open for CURE Board of Directors

Three director positions are up for grabs in this year's election at CURE's 22<sup>nd</sup> Annual Meeting and Celebration.

CURE's Board of Directors oversees the mission and operations of the organization. Board members are expected to serve on a limited number of committees, volunteer at CURE events when possible, represent the organization at certain regional events, and help CURE raise money.

Candidates must be CURE members to run for election. Someone who is not currently a member should become one before stepping up to run. Members may nominate themselves or be nominated by another CURE member.

In addition to being a CURE member, candidates must be 18 years old at the time of the election. They must also support CURE's Mission and commit the time needed to attend meetings and to participate fully in Board governance.

Nominations to the Board will be reviewed by CURE's Board Development Committee. Although anyone who meets the qualifications listed above may stand for election and be listed on the ballot, the Board Development Committee will recommend a slate of preferred candidates from the nomination pool that are thought to best serve the needs of the Board and organization at this time. Diversity, gender, and certain skill sets will be considered when identifying preferred candidates. **Nominations must be received by the CURE Office by Saturday, April 26<sup>th</sup>.** Nominations from the floor are not permitted.

Nominations should be emailed to Dixie Tilden, [Dixie@cureriver.org](mailto:Dixie@cureriver.org) or mailed to the CURE Office at 117 1<sup>st</sup> South Street, Montevideo, MN 56265
